

Amenities Services

Matrix Construction Services provides amenity renovation services for multifamily properties that require coordinated work across shared resident spaces. Amenity renovations play a key role in resident experience, leasing support, and long-term asset performance. Our teams focus on restoring and reconfiguring amenity spaces in a way that aligns with property standards, operational needs, and capital planning goals..

WE OFFER THE FOLLOWING AMENITY SERVICES:

Clubhouse Reno

We modernize clubhouses to create inviting, functional spaces that enhance resident experience and property value.

Fitness Centers

We upgrade fitness centers with durable finishes and quality equipment to support health and wellness.

Outdoor Spaces

We design and renovate outdoor areas that promote relaxation, connection, and community.

Specialty Spaces

We transform unique spaces like lounges, game rooms, and co-working areas to fit resident needs.

Parking/EV

We improve parking facilities and add EV charging solutions to meet today's demand and tomorrow's growth.

Pools

We renovate pools and surrounding areas to ensure safety, comfort, and a resort-style experience.
